Frequently Asked Questions:

**How do we register?**

Teachers will register their school and total number of attendees (*including* teachers). Students will register for individual sessions closer to the date of the event, and it is first come, first serve. Watch the website for updates on sessions.

**What if a student who has registered cannot come that day? How do we substitute?**

Unregistered students will be either placed in sessions that have availability or the student may take the sessions of the registered student that they are replacing.

**How do we pay?**

As soon as your school is registered, you will be sent an invoice. Your spot is guaranteed based upon receipt of funds. There is no refund; however, substitution of students and teachers are welcome.

**How many students can we bring?**

Each school can bring up to 20 students.

**Can my administrators come?**

Of course!

**How much does it cost?**

$30 for each student or teacher and it includes lunch, a t-shirt, and fun, hands-on activities.

**Where do we park?**

If you are driving a bus, please drop off your students in front of the Austin Building and they can walk to Kennedy Auditorium. Buses will have spaces available for parking at the coliseum.

If you are in a car or a van, please let us know at least two weeks in advance so we can obtain a parking card for you. You will drop off your students at Kennedy Auditorium and park in the Student Center parking garage. We will give you a parking swipe card when you pick up your packets at Kennedy.

**What if a student needs a different size t-shirt than what he/she signed up for?**

We will happily exchange t-shirts in the STEM Center located on the first floor of the math building next to the elevators.
